1. Create strong passwords that are at least 10-12 characters long and include a combination of capital and lowercase letters, digits, and special characters.
2. Consider using a password manager such as 1Password or LastPass to create complex passwords without needing to remember them.
3. Don't use the same password for multiple accounts.
4. Don't open emails from unknown senders.
5. Never email financial information or your Social Security number.
6. Download software or email attachments only from sources you know are trustworthy.
7. Read all disclosure information before downloading software, including apps.
8. Always type authenticated Web addresses directly into your browser bar instead of clicking on links.
9. Limit what you share on social networking sites. Consider increasing your privacy settings.
10. Don't stay signed into accounts. When you are finished, log off and close your browser.
11. Close all pop-up windows by clicking on the X in the title bar. Consider using a pop-up blocker.
12. Don't put unknown flash drives into your computer.
13. Use two-factor authentication (2FA) for online accounts when available. This is when you use two different ways to verify yourself, such as a password and a phone number, to better protect you.

IMPORTANT: New Fee Charge

Due to the rising costs of printing and mailing, we started charging a \$2.00 Paper Statement Fee as of June 1, 2022.

This applies quarterly for regular shares (savings) and monthly for draft shares (checking) for members 0-64 years old.

Members 65 and older are exempt.

To avoid these fees, you must contact the credit union to "go paperless". You must provide an email address and be set up for internet access to your account. You will receive a monthly email alert that your statement is ready to view. You can then access your statement on our website.

PERKS FOR CREDIT UNION MEMBERS
